An offline IQAC meeting after a long time under pandemic was held on 03.12.2021 in the IQAC room of Bidhan Sarani Campus of the college. The meeting was presided over by the Principal.

AGENDA:

1. Confirmation of the minutes of the previous meeting held on 11.07.2021.
2. Review of vaccination program.
3. Preparation for taking offline classes
4. Miscellaneous.

Agenda 1:

The minutes of the previous meeting held on 11.07.2021 has been confirmed in the meeting held on 03.12.2021.

Agenda 2:

In response to an appeal from the Government, the college arranged an en mass vaccination program on 03.10.2021 at Bidhan Sarani Campus. The teachers and students, who had not been vaccinated till date, were asked to come forward and get vaccinated. Only 22 students were given the 1st/ 2nd dose of COVISHIELD vaccine. The number was less than 2% of the total student strength. This poor number was probably due to late introduction of vaccination drive for college students by the zonal vaccine centers of the Government and majority of the students had already taken the dose of vaccine privately. However, the cost of vaccination in the college program was totally borne by the Government.

Agenda 3:

As there was a possibility of the start of classes in offline mode the IQAC was requested to review the conditions of the class rooms, laboratories and electrical devices required for conducting practical classes. Emphasis was given on the renovation of the conditions of the laboratories as practical classes could not be held during the entire pandemic period. All departmental heads were also requested to verify their stock and place requisition for purchase, if necessary, for conducting practical classes.

Agenda 4:

The online psychological counseling cell working under the guidance of Psychology Department was praised for their good work during this pandemic situation. Number of students were benefited by this counseling program.

The meeting ended giving vote of thanks to the chair.
