## The Metropolitan Institution.

AFFILIATED, 1879.

This Institution consists of a College and a School. The College is affiliated under the new Regulations up to the standard of the Intermediate Examination in Arts, in English, Bengali Composition, Sanskrit, Pali, History, Logic, Mathematics, Physics, and Chemistry and in I.Sc., in English, Bengali Composition, Mathematics, Physics and Chemistry; up to the standard of the B.A. Examination in English (Pass and Honours), Bengali Composition, Sanskrit (Pass and Honours); Pali, History, Mental and Moral Philosophy, Political Economy and Political Philosophy, Mathematics (Pass and Honours), Physics and Chemistry; and up to the standard of the B.Sc. Examination in Mathematics (Pass and Honours), Physics and Chemistry.

By arrangement with the Indian Association for the Cultivation of Science students who take up Botany for the I.A. or I.Sc. Examination are also admitted.

The main School is held in premises contiguous to those of the College. It has two branches, one at Bowbazar and the other at Barabazar.

The Institution in its present form, at any rate, was the handiwork of Pandit Iswar Chandra Vidyasagara. It was the first attempt to impart high education through a purely indigenous agency and was conducted in a way that was characteristic. He gave it a costly local habitation and endowed it with a valuable Library and Laboratory. In recent years extensive improvements have been made in the Physical and Chemical Laboratories and two large lecture-theatres provided with gas and water fittings have been constructed, one—for the teaching of Physics and the other—for the teaching of Chemistry.

It has a large Collegiate Hostel which provides accommodation for nearly 200 boarders, several "Attached Messes," a Literary and an Athletic Club.

Six annual cricket prizes called the "Hardinge Prizes" have been instituted, with the sanction of the Viceroy and Governor-General of India, two in each department of the game, in commemoration of His Excellency's visit to one of the College Messes. Students of the College and boys of the attached Schools are eligible for these prizes.

Since the death of Pandit Iswar Chandra Vidyasagara in July, 1891, the management of the College has changed hands more than once. Since the 1st September, 1896, it has under an agreement with the Vidyasagara Institute been vested in a Committee called the College Council, composed mainly of the Professors of the College. At present the Council consists of Babu Saradarajan Ray, Vidyavinod, M.A., Mr. J. R. Banerjea, M.A., B.L., Profs. K. K. Bhattacharyya, K. L. Nag and M. Ray, Pandit Narainchandra Vidyaratna, son of the late Pandit Iswar Chandra Vidyasagara, and Babu Lalitchandra Mitra, M.A., Secretary, Vidyasagar Institute. Mr. S. Ray is its President and Mr. J. R. Banerjea is its Secretary.

The annual tuition fee is Rs. 48 for the I.A. classes, except when Physics or Chemistry is taken up when the fee is Rs. 60; that for the I.Sc. classes is Rs. 60, that for the B.A. is Rs. 60, except when Physics or Chemistry is taken up the fee is Rs. 72 and that for the B.Sc. is Rs. 72. Exemption from payment of the full fees is granted in special cases. The fee for admission in the case of I.A. and I.Sc. students is Rs. 4 and in the case of B.A. and B.Sc. students Rs. 5.

The Institution in its present form, at any rate, was the handiwork of Pandit Iswar Chandra Vidyasagara. It was the first attempt to impart high education through a purely indigenous agency and was conducted in a way that was characteristic. He gave it a costly local habitation and endowed it with a valuable Library and Laboratory. In recent years extensive improvements have been made in the Physical and Chemical Laboratories and two large lecture-theatres provided with gas and electric fittings have been constructed, one for the teaching of Physics, and the other for the teaching of Chemistry.

It has a large Collegiate Hostel which provides accommodation for nearly 200 boarders, several "Attached Messes," a Literary Club and an Athletic Club.

Six annual cricket prizes called the "Hardinge Prizes" have been instituted with the sanction of the Viceroy and Governor-General of India, two in each department of the game, in commemoration of His Excellency's visit to one of the College Messes.

Since the death of Pandit Iswar Chandra Vidyasagara in July, 1891, the management of the College has changed hands more than once. Since the 1st September, 1896, it has, under an agreement with the Vidyasagara Institute, been vested in a Committee called the College Council, composed mainly of the professors of the College. At present the Council consists of Babu Sarada, Janjan Ray, Vidyavinod, M.A., Mr. J. R. Banerjea, M.A., B.L., Profs. K. K. Bhattacharyya, K. L. Nag and M. Ray, Pandit Narainchandra Vidyaratna, son of the late Pandit Iswar Chandra Vidyasagara, and Secretary, Vidyasagar Institute, (*ex-officio*). Mr. S. Ray is its President and Mr. J. R. Banerjea is its secretary.

The annual tuition fee is Rs. 60 for the I.A. classes, except when Physics or Chemistry is taken up when the fee is Rs. 72; that for the I.Sc. classes is Rs. 72, that for the B.A. is Rs. 72 and that for the B.Sc. is Rs. 84. The fee for admission in the case of I.A. and I.Sc. students is Rs. 5 and in the case of I.A. and B.Sc. students Rs. 6.
