4. Gender sensitization in institutions has been recognized as an important part for providing quality education and creating a healthy work as well as educational space for teachers and students.

Vidyasagar College is a co-educational institution. Hence, measures for promotion of gender equity are very important and the Institution supports gender diversity.

Out of 148 teachers, 90 are Female teachers and they are very attentive towards safety of the girl students. The atmosphere being conducive, there has been minimal grievances from girl students, and if ever arisen, has been solved by teachers at a personal level thus providing a platform for girl students to freely participate, voice their opinions and express their issues.

There is a separate Common Room for girls.

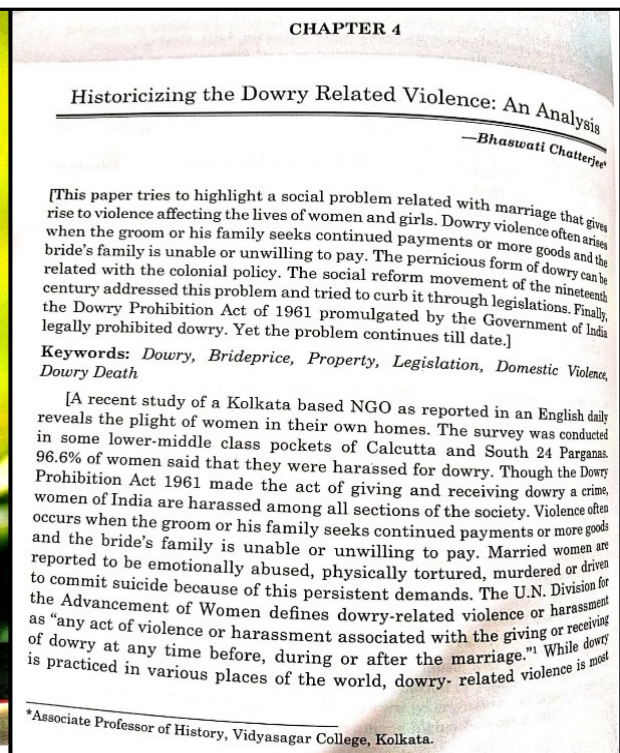

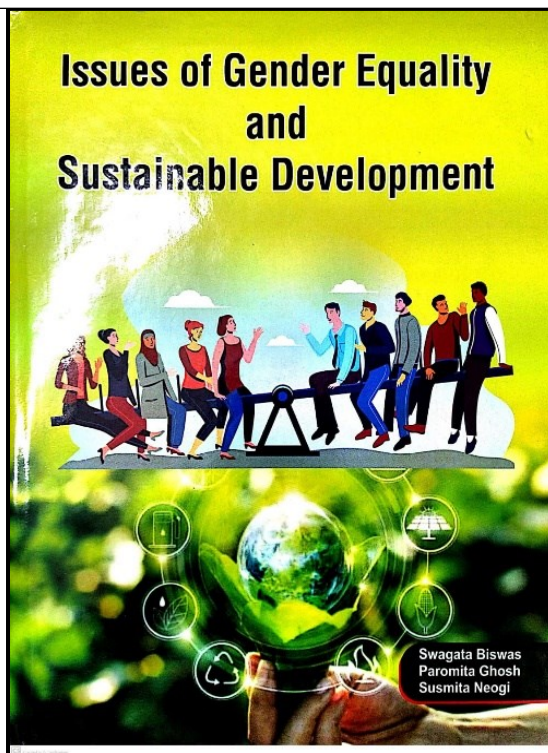

There is provision for female teachers to

There has not been admission of certified third genders till date, hence attention shall be paid to, if situation arises.

To ensure safety and security, CC cameras have been installed inside the college.

For addressing the child care issues, for the Female teachers, the College provides Child Care Leave, Maternity Leave as per Government Order.
